

EMMANUEL CHURCH WEST HAMPSTEAD CONSENT FORM

Your privacy is important to us, and we want to communicate with church members in a way which has their consent, and which is in line with UK law on data protection. As a result of a change in UK law, we now need your consent to how we contact you. Please fill in the contact details you want us to use to communicate with you:

Name _____

Address: _____

Email Address: _____

Phone Number: _____

By signing this form you are confirming that you are consenting to the PCC of Emmanuel Church holding and processing your personal data for the following purposes (please tick the boxes where you grant consent)

I consent to the church contacting me by

☐ post

☐ phone

☐ email.

☐ to keep me informed about news, events, activities and services at Emmanuel (*note you can unsubscribe from the church e-bulletin at any time*);

For those signing the attendance register for school admissions

☐ I consent to you holding my details on the church attendance register

☐ For children 13 years and under. I consent to you holding my child's details

Name(s) & DOB _____

Signed: _____ Dated: _____

You can grant consent to all the purposes; one of the purposes or none of the purposes. Where you do not grant consent we will not be able to use your personal data; (so for example we may not be able to let you know about forthcoming services and events); except in certain limited situations, such as where required to do so by law or to protect members of the public from serious harm. You can find out more about how we use your data from our "Privacy Notice" which is available from our website www.emmanuelnw6.com or from the Parish Office.

You can withdraw or change your consent at any time by contacting the Parish Administrator at Emmanuel Church, Lyncroft Gardens, London, NW6 1JU. 020 7435 1911. emmanuelnw6@gmail.com. Please note that all processing of your personal data will cease once you have withdrawn consent, other than where this is required by law, but this will not affect any personal data that has already been processed prior to this point.
